## MULTIDISCIPLINARY NATIONAL CONFERENCE

**JANUARY 13TH & 14TH, 2023**

# About The College

Patkar Varde College (affiliated to University of Mumbai & Re-accredited A+ grade by NAAC) was established in 1964. The college is founded by Chikitsak Samuha an association formed by like - inclined individuals who were keenly involved in education. The college of Arts & Science and the Commerce Division both began operations in the academic years of 1964–1965 and 1980–1981 respectively. The college began degree-level Self-Financed courses in 2000–2001 to offer career-based education. The autonomy was conceived by UGC in 2019-2020 to give students the finest learning opportunities possible, the college has since continually improved the programme it offers and the infrastructure needed for these programme. Many of our graduates currently hold excellent jobs in a variety of professions. The college plays a significant role in inculcating important values in students and helps them to recognize and develop their skills, it guides them to groom themselves and prepares them to face the practical world outside academics be it in the field of commercial trade, industries, management and media.

## Theme of the Conference

The theme of this conference revolves around the synchronous integration of Commerce, Technology, Management, Biological Science, Humanities and Social Science research areas into one inseparable platform. At this conference, researchers from various fields will come together to share their research results and the latest ideas. The main purpose of this conference is to integrate interdisciplinary research to provide the best applications. By attending this remarkable event, participants can connect with peers who can hone their skills and refine their ideas and approaches. You will also have the opportunity to meet with experts and high-level representatives to exchange past and present ideas and research. Participants can build new networks to suit different personalities and learn about the latest tools available. This conference acts as an ensemble as a unique confluence of networking, entertainment, and learning. At this event, participants' ideas and suggestions need to be developed and challenged.

## Objectives of the Conference

This National Conference aims to provide researchers, students and representatives with the opportunity to share their expertise and understanding related to various arenas. The event also serves as an excellent international forum for exchanging information and sheds light on the progress different fields are achieving.
