## About Conference

This hybrid conference aims to create a collaborative platform for bringing together technical experts across, Academia and Professional Bodies to promote Innovation, research and developments in Library & Information Science. The motive of the conference is to provide the overseas experts' knowledge and inspire the young researcher and provide platforms for exchanging the knowledge, ideas and technical skills. The main objectives of this conference are:

- To find out the current trends and development in the library and information science to sustained it the Artificial Intelligence era.
- To provide the latest knowledge on the conference aligned themes and sub themes.

## About College

The objective is to impart quality education to the unprivileged and underprivileged sect of the society from socio-economically backward area of the city. The Shikshan Prasarak Mandal was established in 1957 under the strong leadership of late Shri. Shankarlalji Khandelwal also known as Kakaji Khandelwal in 1999, a momentous step in the golden journey of Shikshan Prasarak Mandal was the establishment of a senior college in the form of Shankarlal Khandelwal Arts, Science and Commerce College. Every year from KG to PG approximately 6000 students are admitted in our parent society. In the past 63 years, the generations of students have contributed to various fields of studies and thus contributed to society.

The college has 12 research centres, 18 supervisors. 04 scholars completed and 43 students registered for Ph.D. across various domains till date. 21 Minor research Projects and 2 Major research projects have been completed. In addition to this, 19 National Conferences and 06 International Conferences, various career-oriented courses, add-on courses and a certificate course on Swami Vivekananda Philosophy are conducted in college. The college is taking ceaseless efforts for all-inclusive development of students and staff. This conference will also be a mile stone in the long-lasting journey of the institution in the field of academics and research.

## Theme of Conference

The main theme of conference is

### “SMART Libraries: Align with Developmental Trends and Innovations”.

#### SMART: Services, Methods, Automation, Resources, and Technologies in Library & Information Science :
