ABOUT MULUGU

Mulugu is a district in the state of Telangana, carved out in 2019. Known for its rich cultural heritage and natural beauty, it is home to historic sites like the Ramappa Temple (a UNESCO World Heritage Site) and Gattamma Temple. The district is characterized by dense forests, scenic landscapes, and tribal communities. Mulugu is also a gateway to the Eturnagaram Wildlife Sanctuary, making it significant both historically and ecologically.

ABOUT COLLEGE

Established in 1999 near Gattamma Temple, Government Degree College, Mulugu, began with 240 students offering courses in Science, Arts, and Commerce. Surrounded by scenic hillocks, the college provides a peaceful learning environment. Accredited with a 'B' grade by NAAC and ISO 9001:2015 certified, the institution serves students from rural and semi-urban areas, promoting academic excellence, holistic development, and inclusive education.

ABOUT SEMINAR

This national seminar examines the revolutionary impact of Artificial Intelligence (AI) on academic research and publishing. AI tools are transforming scholarly labor through literature reviews, writing aid, plagiarism detection, citation management, and journal selection.

The event will include professional lectures, panel discussions, research presentations, and live demonstrations. It will also tackle ethical issues, authorship, and the responsible application of AI in academia. The seminar seeks to empower researchers, instructors, and students with the expertise to traverse the AI-influenced academic environment while maintaining originality and integrity.
