O LORD, sleeped as a king

Terrified when i saw blood shed , in Kashmir

When my eyes woke

O LORD , sleeped as king

Terrified when i hear mother has lost her son in Kashmir

When my eyes woke

O LORD, sleeped as a king

Terrified When someone*s daughter has raped in Kashmir

When my eyes woke

O LORD, sleeped as king

Terrified when i hear daughter has lost her faith on her father in Kashmir

When my eyes woke

O LORD, sleeped as a king

Terrified when i here the education is paused in Kashmir

When my eyes woke

O LORD sleeped as king

Terrified when i here transport has paused in Kashmir

When my eyes woke

O LOARD, sleeped as a king

Terrified when i here the peoples noise in Kashmir

When my eyes woke

O LORD sleeped as a king

Terrified when i saw neighbors watched with black eyes in Kashmir

When my eyes woke

O LORD slepted as king

Terrified when i saw empty vessels gained control over heavy ones in Kashmir

When my eyes woke

O LORD slepted as a king

Terrified when i here truth has lost its glory over lies in Kashmir

When my eyes woke

O LORD slepted as a king

Terrified when i saw nature has changed its mood in Kashmir

When my eyes woke
