

Resentment

Gayatri Bisoi

Lecturer In English, Pendrani Mahavidyalaya Umerkote, Nabarangpur

Heart holds resentment

As the sky garnishes dark clouds

It doesn't rain

It doesn't release

Life becomes grave and sombre

Smilies to portray normalcy

Where is peace and serenity

Can it ever be found?

It is consumed by guilt

Guilt rusts the heart

Nothing is visible

Only guilt and grief

Darkness is attracted

For the heart is dark

Amounted to hopelessness
